Does your student require medications or learning accommodations? Please describe:

\_\_\_\_\_

**JAM fees** are: \$5 per week, with option to buy 10 at a time for \$45

This document is a registration form for the JAM program at the Birthplace of Country Music Museum. We are offering weekly classes in guitar, fiddle, and banjo. JAM classes will be filled each week based on the arrival of students until the classes reaches capacity (30 students). There are no advance reservations. It is imperative that all students, new and returning, bring in the registration form before the first session your student attends. Instruments are available all JAM students on a loan basis.

My student, \_\_\_\_\_ is committed to being in JAM and will be available to meet on Saturday mornings from 10:30-11:30.
